Professional Experience

Michael provides commercial real estate brokerage and transaction management services to owners and occupiers throughout Northwest Ohio and Southeast Michigan. The primary focus of Michael's practice is the leasing of commercial office and urban retail properties. Michael also has a strong passion for the revitalization of Downtown Toledo and he takes great pride in facilitating the sustained growth of the community at large. His success has been predicated upon strong communication skills complemented by relentless pursuit of his clients' goals and objectives. He provides clients with a high level of diligent care and a personal touch.
