Professional Experience

Wyen joined the Reichle Klein Group shortly after completing her studies at The University of Toledo where she completed her Bachelor Administration Degree in International Business & Marketing.

Wyen is currently licensed in Ohio and Michigan. She is originally from Kuala Lumpur, Malaysia and possesses multilingual skills, fluent in English, Mandarin, Cantonese and Malay.

Wyen's life experiences, including her emigration to the US and mastery of multiple new languages while completing her undergraduate degree in a non-native language, combined with her prior work in retail and hospitality demonstrates that she is hard working, highly motivated and capable of overcoming all obstacles to deliver client-oriented brokerage services.
