Professional Experience

Jerry Malek is an industrial specialist, focusing on the acquisition, leasing and disposition of industrial properties. Jerry joined the Reichle | Klein Group after the acquisition of Michael Realty Company, and has been involved in real estate for over 30 years.

Jerry achieved the requirements to become a member of CCIM (Certified Commercial Investment Member) as well as the designation SIOR (Society of Industrial an Office Realtors), becoming one of very few in the world who hold both designations.

Jerry is a life member of the Toledo Regional Association of Realtors® (TRAR) President's Sales Club. He consistently ranks among the top producing agents in the region.
