Professional Experience

Brent Patterson brings to the Reichle Klein team, 25 years of sales and operational experience. Brent's career has included owning and operating a medical services company and a sales training and consulting business. These roles and experiences have provided Brent with a unique insight to the goals and expectations of his clients, which uniquely qualifies him to serve his Commercial Real Estate clients with an exhaustive approach towards end goals. Prior to working with Reichle Klein group, Brent worked closely with Medical practices, distribution, and manufacturing companies, which provided the opportunity to work in several different markets. These experiences have allowed Brent to develop a business acumen that is of great benefit to the clients he serves. Brent is a highly motivated and diligent professional who will provide services to his clients with a business acumen that will drive results in all commercial real estate transactions.
