## Professional Experience

John P. Dilworth brings 20 plus years of business and financial management experience to the Property Management Department of the Reichle | Klein Group. Prior to joining the Reichle Klein team, John was Financial Consultant at AXA Advisors, LLC and then served several years as a financial advisor and loan originator in the metro Toledo area. John prides himself on having a true understanding of his client's businesses, knowing what they do and how they operate. This allows John to perform a needs-based analysis and to provide a custom solution to their Property Management and Facilities maintenance needs. John is highly motivated and is a passionate individual that is always looking to provide the best solution for his clients.
