### Professional Experience

In 1996, Mr. Martin joined the Reichle Klein Group as a field maintenance professional responsible for the maintenance of buildings, equipment, landscaping and snow removal, building improvements, daily response to tenant needs and problems, as well as overseeing and expediting subcontractors and their work. His time at Reichle Klein Group included a 17-year full time assignment at Shumaker, Loop & Kendrick, whose 93,000 SF headquarters office building in downtown Toledo, Ohio is managed by Reichle Klein Group.

Mr. Martin has since received multiple promotions, most recently to Maintenance Team Supervisor in February of 2018. In this role he provides training, supervision and accountability to the field maintenance team and functions as a liaison between the property managers and his team members.

Prior to joining Reichle Klein Group, Mr. Martin gained 11 years of experience on the facility maintenance team in the office tower at 405 Madison Avenue in downtown Toledo.

### Education

- Completed the following courses: HVAC; and Low Pressure Boiler
- Certified, Adult Basic CPR through the American Red Cross
- Graduated from Central Catholic High School, Toledo, Ohio
